

The Sleeve™

Precision engineered for an impossibly smooth, perfectly straight stroke.

The Sleeve gives you the smoothest, lowest friction stroke you've ever experienced. Slide the precision engineered Sleeve onto your shaft and feel what a smoother, straighter stroke does for your confidence and your game. The Sleeve lets you focus on your shot – not on that annoying sticky stroke!

- **Straighter strokes, guided by The Sleeve.**
- **Improves accuracy of stroke delivery.**
- **Reduces pivot errors – make more shots!**
- **Will last for years.**
- **Provides control during break**

Let's get serious!™
